Is there free parking at kci airport

Given article text here The Kansas City International Airport is currently constructing a new KCI airport terminal, which will be its largest infrastructure project in history and scheduled for completion by 2023. The airport's code is MCI, yet locals commonly refer to it as KCI. At present, passengers can access dining and shopping services before their flights. Economy parking at Parking Lot B has been permanently closed on September 14, 2022, but travelers now have the option of economy parking in Parking Lot C. The airport's Frequent Parker Program allows frequent flyers to earn points for free parking, while a program specifically designed for corporate employees is also available. Additionally, MCI features an automated payment system allowing passengers to utilize their rewards passes instead of purchasing tickets for parking lots. There is a maximum wait time of 45 minutes for parking at Kansas City International Airport. Parking spaces are available both inside and outside the airport. However, some vehicles, such as motorcycles and oversized vehicles, require offsite parking due to restrictions. The airport offers a free parking estimator on its official website, though real-time availability is not possible. Parking can be reserved in advance, either directly with the airport or through various offsite options. There are no discounts available for active military personnel at the MCI Airport. For individuals with disabilities, there are handicap accessible parking spaces marked near terminal entrances. These spaces are subject to availability and require proper documentation. Several parking options are available at Kansas City International Airport, including short-term and long-term spots. The most convenient option is The Parking Spot, which offers 12-day rates starting at \$12 per day. Its automated pay station accepts both cash and credit cards. For frequent users, purchasing a prepaid permit can provide benefits. There is a short-distance parking option near the terminal at Kansas City International Airport. Valet parking is also available. The airport offers both short and long-term parking options to travelers. Parking is available 24/7. Long-term parking costs \$15.5 per day, while covered parking costs \$23 daily. There is a cheapest option at Economy, which is \$7.5 per day. You can save money by considering location, duration of stay, and comparing rates between airports. Kansas City International Airport has covered parking located in the short-term parking lot. Valet parking is available for \$27 daily. Valet Park Air Express, a partner of Kansas City International Airport, offers off-site parking services. When arriving, ensure the traveler is already on curbside without approaching the vehicle, and know which terminal and airline they're using. Drivers must stay in their vehicles to avoid being parked. To find Economy Parking, follow road signs to the lot matching your airline. A 24-hour shuttle service is available between lots and terminals. The Blue Buses arrive at bus shelters every 20 minutes, 24/7. Economy Parking costs \$7.50 per 24-hour period, with buses accessible for wheelchairs. Note that Lot A is closed, but others are available. Park Garage is located adjacent to terminals, with Garage B next to Terminal B and Garage C next to Terminal C. Height restrictions apply, vehicles over 8'2" should use Economy Parking. Garage parking rates: - First 30 minutes: \$1.00 - 30-60 minutes: \$3.00 - 1-7 hours: \$3.00 per hour - 7-24 hours: \$23.00 (with additional days/hours at \$3.00) Park Circle has two lots, E-3 and E4, with shuttle buses running approximately every 1520 minutes, 24/7. Disabled parking is available in Lot E-3. Circle Parking rates: - First 30 minutes: \$1.00 - 30-60 minutes: \$3.00 - 1-7 hours: \$3.00 per hour - 7-24 hours: \$15.50 (with additional days/hours at \$3.00) Park Valet offers curbside drop-off and pick-up, available 24/7. The parking rate is: - 0-4 hours: \$12.00 - 4+ hours: \$3.00 per hour - Daily maximum: \$27.00 Electric vehicle charging stations are available at Economy Parking Lot B. Travelers must pre-register for a free Every Clean Charge Network card before charging is available at designated stations. For more information and registration, visit Every's website. To locate charging stations: * Economy Lot B: northeast corner between rows 12-13 near Bus Shelter #B10 * Economy Lot C: between rows 2-3 near Bus Shelter #C4 The Cell Phone Waiting Lot is for greeters to wait with travelers arriving at the terminal. Vehicles must be attended by passengers and cannot exceed a 45-minute stay, or they will be towed at owner's expense. Another parking option is Park Air Express: * Location: 11500 Prairie View Road, Kansas City, MO 64153 (off I-29, exit 112th Street/#12) * Services: + Uncovered and covered parking (\$9/day uncovered, \$15/day indoor/covered) + Electric vehicle charging stations for card holders + Complimentary newspapers, bottled water, and coffee + Reservations online with major credit cards accepted Additionally, Instapark offers discounted off-airport parking options (saving 60% compared to on-airport rates). Kansas City Airport also offers various on-site parking services, including valet parking. Ready On Time for MCI Airport Parking The airport has three garage parking options available minutes away from the terminal. Each provides a safe and covered area for vehicles. Oversized Vehicles: 7'2" in Garage A, 7'4" in Garage B, 8'2" in Garage C. All garages are open 24/7 with the same daily and hourly rates of \$12 up to 4 hours then \$3 per additional hour until max rate of \$27. Public Parking: Available at Circle Lot E3, priced \$1 for first 30 minutes, \$3 for next 30 minutes, then \$3 per hour. Circle parking is more affordable than garages and valet but shuttle service isn't free, airport buses run 24/7 between lot and terminals. Hourly rates are same as garage: \$1 for 1st 30 min, \$3 for next 30 min, then \$3 per additional hour. Economy Parking: Cheapest self-parking option, MCI economy lots offer numerous low-cost spots. Three economy lots available within short drive of airport terminal. Free shuttle bus service runs approximately every 20 minutes from terminals to lots. Hourly rates aren't available; economy rate is only \$7.50 per day. Cell Phone Waiting Lot: Open 24/7, free parking for up to 45 min near Control Tower. To enter lot, follow road signs and exit left after Terminal C. Accessible Parking: Available in all airport facilities. Airport shuttles are wheelchair-accessible; passengers must have disabled permit or plate to park in handicap spaces. EV Charging Stations: Available in MCI Economy Parking Lot B and C between rows 12-13 and 2-3. Parking is available on a first-come, first-served basis. The newly combined economy lot will be identified as E1 through E17. The Blue Bus will still serve economy parking, with buses picking up every 20 minutes, 24/7. To access the economy lot, use one of the entrances closest to Mexico City Avenue or Cookingham Drive. Economy parking rates remain at \$7.50 per 24-hour period, but you can get a free day's parking if you park for two days. The surface lot is available for those who want closer parking without covered spaces, with prices starting from \$1 for the first 30 minutes and increasing to \$18 for up to 24 hours. For travelers picking up friends or family, there's a free cell phone lot located just outside the new terminal, with designated stalls for buses, limos, taxis, and ride-sharing services. Drivers can stay in the lot for up to 45 minutes without paying, but unattended vehicles will be towed. The valet area offers convenient luggage assistance and return itineraries scanning, starting at \$12 for 4 hours. When flying into the new terminal, passengers will have access to Red Bus service from the commercial curb, which takes them to old Terminal B and C garages and circle parking areas until they're vacant. The Parking Spot parking area at NW Prairie View Rd, Kansas City, MO 64153, offers automated pay stations and discounted prepaid parking permits. While Kansas City International Airport does not have free parking, various options are available, including hourly short-term parking near the terminal and economy long-term parking, both of which require payment. Long-term parking costs \$15.5 a day, but there is also valet parking service available. The cheapest option is the long-term lot at Economy, priced at \$7.5 per day. To save money on airport parking, consider location, duration of stay, and comparing rates among airports. Covered parking, located in the short-term parking lot, costs \$23 a day, protecting your car from harsh weather conditions. Additionally, frequent flyers can explore discount programs. Kansas City International Airport offers valet parking services at its terminal building. Valet spaces are located just outside the main entrance and come with a daily fee of \$27.
